

**Dr. WRIGHT'S
CELEBRATED
Rejuvenating Elixir!**

In the greatest Pharmaceutical Principals
one of the Alsted, Chemists of the Age.

THIS IS ALMOSTLY A NEW MEDICINE. It has been an entire new and advanced method of curing all diseases, and especially those of the heart, which have hitherto been incurable. It has been published by accomplished experts to the advertising world, and it has been fully tested and well substantiated, so it has every right to come to this Union. We fear, however, that it will be received with a whole phial when his friend has been received with a whole bottle. Long-continued researches of Dr. Wright's have been made, and his new discovery has crowded out Doctor's efforts, and he now claims the first place in the medical world. He has a large number of cases to show, and can cure every disease.

**GENERAL, MENTAL AND PHYSICAL
DEPRESSION, IMPOTENCY, DETERMINATION
OF BLOOD TO THE HEART, CONFUSED IDEAS,
MATERIAL AND MORAL DEPENDENCE, RE-
LAXED AND SOFTENED MUSCLES AT NIGHT,**

**ABSSENCE OF MUSCULAR EFFICIENCY, LOSS OF
APPETITE, INFLAMMATION, EMACIATION, LOSS OF
ENERGY, DEGENERATION, FAULTERATION OF THIS**

**HEART, IN fact, all the concomitants of a nervous and
inflamed state of the system.**

AS A STIMULANT. It is quite different from almost any other medicine. It is a true stimulant, and effects what it purports to do. It is a safe and effective, and induces the equilibrium of body and mind, and gives a new lease of life to the system, the market, and which are only inferior to the best physicians. It is a safe and effective medicine, and very good results, too, that they are only made available through the efforts of Dr. Wright.

RECOMMENDATIONS.— In writing to Dr. Wright, state the name of your physician, and his professional character, or the fact that he is a member of the Medical Association.

Senate—Executive Session.

WASHINGTON, March 27.—Senate.—Mr. Breckinridge said he did not assume this to be a test vote, but thought it might be so.

Mr. Wade hoped the resolution would be taken up and discussed. He did not desire to say that the Senate, under his opinion, was to be put to a vote.

Mr. Moore said the subject should receive a full discussion now.

Seven States had gone out of the Union and the rest were to be put to a vote.

The people there had no voice, but a military despotism reigned there.

Mr. Wade voted to adjourn.

Mr. Moore moved to adjourn.

Daily Democrat

Special Notices.

TRADE.—Among the places worthy of the attention of the visitors to Louisville at the present time, is the great trunk manufactory and emporium of J. H. McElroy, on the northeast corner of Fourth and Main streets. His large manufactory enables him to supply trunks, valises, bonnet and hat boxes, carpet bags, bureaus, trunks, etc., of the very best quality, at unprejudiced prices. All of Mr. McElroy's work is beautiful, as well as durable goods. Give him a call.

DR. SHALLENBERGER'S Fever and Ague Antidote never fails to cure the most malignant cases, and takes as directed. It cures immediately. In no case will the patient have more than one chill after taking the first dose, and in the majority of cases not even that.

It accomplies the work by destroying the cause of disease, which no other remedy pretends to do.

It contains no arsenic or poisonous ingredients of any kind, may be administered with perfect safety to an infant.

Send 25¢ to Dr. Shallenberger, 100 W. 12th Street, New York.

SPRING SOA or Men's and Boys' CLOTHES.—J. M. Armstrong, on Main, opposite the National Hotel, having returned from the Eastern cities, is now opening his splendid stock of seasonable clothing for men's, youths' and children's wear, embracing all sizes and qualities for children from two years to the largest youth's size. Beautiful assortment of light casimire suits, also a handsome stock of cloths, camisoles, vestings, for which orders are solicited. Prices very low for cash.

FURNITURE AT COST FOR CASE.—J. M. Smith & Bro. are selling on their entire stock of furniture at cost, being decisions of making & changing in business. They are offering inducements, at a great sacrifice, to housekeepers to replenish their harness. Call and look for proposals, before buying elsewhere, at No. 206 Market-street, between Second and Third.

ORDERS for subscription to the Daily Democrat left at Geo. W. Barth's feed store, northwest corner of Market and Twelfth streets, and at G. Zaninger's drug store, southeast corner of Jefferson and Shelby streets, will be promptly attended to by the carriers.

CHOICE PITTSBURG AND POMEROY COAL. We desire to say to all those who wish a good article of Pittsburg and Pomeroy coal, that it can always be found at the depot of Capt. W. A. Porter, corner of Jefferson and Third streets. Those who deal with fair-weathered, clever gentlemen, will do well to buy their coal from us, as we are the only reliable coal dealers in the city.

Dear Sir.—For the past several months I have been laboring under great weakness and general debility, much of the time confined to my bed, and from which I received no benefit from my physician. After using some of your blood pills and blood purifier, purchased of your agent, Mr. Wm. H. Plummer, I feel as a new person, almost entirely free from disease, and would recommend your medicines to who are in need of so favorable remedies.

Yours truly, MARY HOMER.

I have about a very large and complete store of VIRGINIA, MISSOURI & KENTUCKY Manufactured Tobacco!

HOME TATTOO. Interference, Et. Aug. 6, 1860.

Dear Sir.—For the past several months I have been laboring under great weakness and general debility, much of the time confined to my bed, and from which I received no benefit from my physician. After using some of your blood pills and blood purifier, purchased of your agent, Mr. Wm. H. Plummer, I feel as a new person, almost entirely free from disease, and would recommend your medicines to who are in need of so favorable remedies.

Yours truly, MARY HOMER.
